Mission Statement

Muhlenberg College aims to develop independent critical thinkers who are intellectually agile, characterized by a zest for reasoned and civil debate, committed to understanding the diversity of the human experience, able to express ideas with clarity and grace, committed to life-long learning, equipped with ethical and civic values, and prepared for lives of leadership and service. The College is committed to providing an intellectually rigorous undergraduate education within the context of an inclusive and diverse campus; we strongly believe that diversity is essential to learning and to our success as a pluralistic community. Our

A winter scene with a large wooden cross in the foreground and a church in the background. The cross is made of thick, weathered wooden beams and stands prominently in the center. In the background, a church with a tall steeple and arched windows is visible, partially obscured by snow-covered trees. The ground is covered in a layer of snow, and the sky is a pale, overcast blue. The overall atmosphere is quiet and serene.

curriculum integrates the traditional liberal arts with selected pre-professional studies. Our faculty are passionate about teaching, value close relationships with students, and are committed to the pedagogical and intellectual importance of research. All members of our community are committed to educating the whole person through experiences within and beyond the classroom. Honoring its historical heritage from the Lutheran Church and its continuing connection with the Evangelical Lutheran Church in America, Muhlenberg encourages, welcomes, and celebrates a variety of faith traditions and spiritual perspectives.

Letter from President Helm

Dear Fellow Graduates of the Class of 2015,

Yes, even though I matriculated with the Class of 2007, I am graduating with your class. Unlike all of you, who are going on to careers, further education and/or further adventures, I am graduating to retirement. I hope the next chapter is a brilliant one for all of us.

Yearbooks are funny things. We tend to examine them avidly when they first appear, then put them away for a time. Often for a very long time. Then eventually, we drag them out and look at them again, because we are packing and moving, or because we are trying to remember a name, or because we are psyching ourselves up for a reunion. So you may be reading this letter within a few months of now, or many years from now. You may or may not even remember who I am. So here's a reminder:

It's been my privilege to spend four years with you on Muhlenberg's beautiful campus. We've accomplished a lot together, been through a lot together, laughed together, rallied together, and worked together to make this place our home. Although in my retirement I will be traveling a great deal, and will not be able to spend as much time on campus as I might like, Muhlenberg will always be in my thoughts and in my heart. I hope the same will be true of you.

Live Long and Prosper!

Randy Helm

President

Letter from Student Body President

My friends:

It has truly been a tremendous honor serving as your Student Body President over this past year. As you all begin your separate journeys and start a new chapter of your lives beyond Muhlenberg, I cannot help but get a little nostalgic about the memorable time that we have shared together.

I was fortunate enough to meet and befriend many of you in the two years we spent together. First hand, I have witnessed many of you grow personally and professionally. As you enter into this transitional period, you can surely find contentment in the fact that Muhlenberg has equipped you with knowledge, wisdom, and a plethora of life lessons that will allow you to stand out amongst both your colleagues and competition.

Most importantly, just as you have for the past four years, remain motivated, driven and constantly progress towards even the loftiest of your ambitions. Langston Hughes put it perfectly when he said, "hold fast to dreams, for if dreams die, life is a broken-winged bird that cannot fly".

I want to thank you for granting me the privilege to represent you and your interests and to be the advocate for the student body as a whole. I am deeply appreciative for your continued support and for the chance not only to work with you but also to work for you. It is an opportunity that I will remember fondly for the rest of my life.

Finally, I wish you all success in your future endeavors whether you have chosen to enter the workforce, to seek graduate or professional degree, serve our country in the military, or perhaps even pursue humanitarian missions. I am supremely confident that you all will have an unmistakable impact on the world, just as you managed to do so the very moment you set foot on this campus four years ago.

Congratulations Class of 2015!

Your President and Friend,

Andrew Berdahl '17
Student Body President

Student Life

Whether it's schoolwork or practices, rehearsals or club meetings, Muhlenberg students fill their days to the brim. Even with our busy schedules we find time to see what's going on around campus. Concerts, West Fest, Relay for Life, Jefferson Field Day are just a few events that our campus hosts each year. This year Muhlenberg selected SmashMouth to perform for our Spring concert. This "throwback" group brought many students to the Event Space for the performance.

Relay for Life was bigger and better than ever this year! This year Colleges Against Cancer changed the venue and brought Relay to the Fieldhouse where the smaller space allowed students to walk around the track, have a cappella groups and dance teams perform, and various other events that Greek life and other clubs on campus participated in.

Homecoming

West Fest

East Fest

Alex and Sierra, winners of the third season of the X-factor came to Muhlenberg for our East Fest Concert! The duo

performed several songs as Muhlenberg students cheered them on.

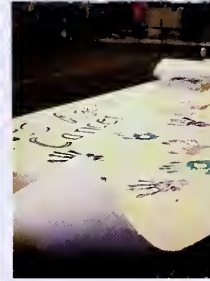

During the spring semester, Muhlenberg holds a competition to see who will be crowned the next Mr. Muhlenberg. Several guys from each class year compete against each other in a variety of events such as swim wear, evening wear, and talent. Students vote for who they want to win by purchasing tickets for the event with their favorite guy's picture, and a board of students and faculty acts as judges on the night of the event to choose who will win overall.

Mr.
Muhlenberg

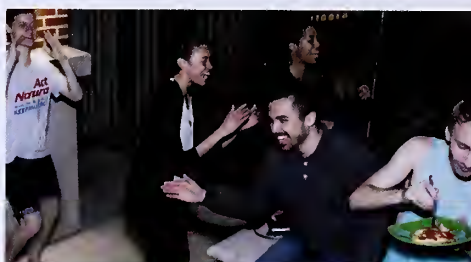

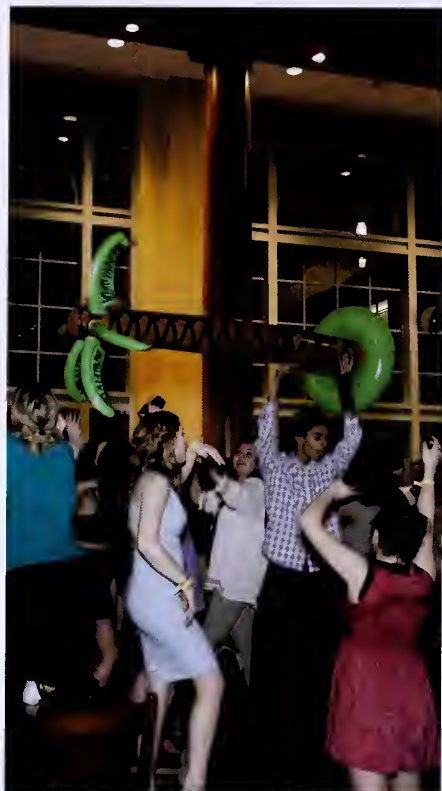

Relay for Life

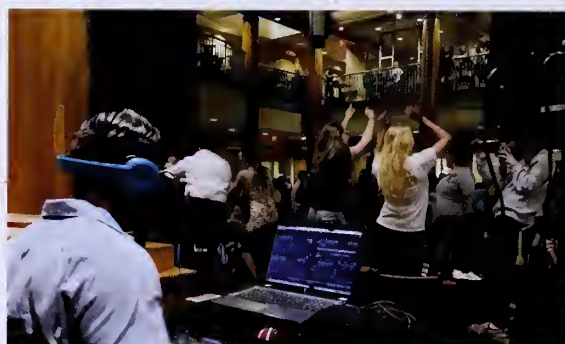

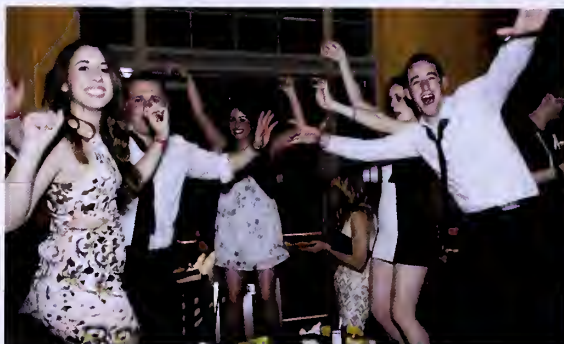

Relay for Life is an organized, overnight community fundraising walk to raise funds for the American Cancer Society. On April 11, 2015 the Muhlenberg community came together to form 33 teams with 551 participants to raise just about \$35,000!

Midnight Breakfast

ABOVE: Senior Olivier Jean-Pierre and Junior Lydia Condoluci at Midnight Breakfast.

ABOVE: Students dancing at Midnight Breakfast.

Midnight Breakfast takes place on the Friday before finals during the Spring semester. Faculty and staff come and serve students breakfast at midnight in the

dining hall. As seen in the photo above, the dining hall is packed with students taking a break from studying. The DJ plays music as students returning

from the MDA/MTA formal dance on tables. While Midnight Breakfast may be the calm before the storm, the night is fun for all.

Every year, members of MAC and S.I.N. (Students in Newman) host Pancake Palooza, where students can enjoy free pancakes, entertainment, and music. At

Pancake Palooza

0:45 pm, students eagerly lined up outside the Event Space. From the open doors, you could see the S.I.N. students walking quickly back and forth between the kitchen

and the Event Space, each time bringing in more and more pancakes. At either side of the room, S.I.N. students served blueberry, chocolate and plain pancakes to hungry

students. The lines continued to run out the doors, even after a couple hours of the event. Various groups performed.

{RJ} MITTE

Overcoming Adversity:
Turning a Disadvantage into
an Advantage.

R J Mitte, best known for his character Walt Jr. on the hit AMC series, *Breaking Bad* came to Muhlenberg to give a speech on Overcoming Adversity: Turning a Disadvantage into an Advantage. The speech was inspirational and moving to all students and faculty that attended. Mitte, like his character, has cerebral palsy. Despite his challenges, Mitte was able to become extremely successful in his career. Overcoming his difficulties, Mitte has become an inspiration to all of his fans, emphasizing that “if you don’t acknowledge yourself for who you are...you’ll never achieve what you really want.”

Students lighting firecrackers in celebration of the New Year

Students practicing dancing in the Dragon suit prior to performing in the Dining Hall in front of their peers and classmates

The Chinese New Year took place on February 19th and on Muhlenberg's campus students, faculty, and the dining staff embraced and celebrated the day. With several exchange students from China on campus this year, the campus was filled with excitement as the New Year approached. Dragon and lion dances are common during the Chinese New Year - it is believed that the loud beats of the drum and the deafening sounds of the cymbals together with the face of the Dragon or lion dancing aggressively can evict bad or evil spirits. Students practiced dancing in the dragon days prior to the event. The dining hall was filled with delicious Chinese delicacies, including homemade dumplings made by students at a dumpling workshop earlier in the week.

EAST HALL DEDICATION

Members of the
administration
cutting the ribbon
during the East Hall
dedication

East Hall is the oldest residence hall on campus and although it has undergone a few small scale repairs, maintenance, and renovations, it was a less desirable dorm for students. The completed renovation features a 13,000 square foot addition, which accommodates more students, provides handicapped accessible bedrooms and bathrooms, as well as common areas for students to study and socialize, kitchen and dining areas for informal gatherings and laundry facilities.

PUBLIC HEALTH MAJOR

Beginning in the Fall 2015 Semester, students will have the opportunity to major in Public Health. As the largest minor program at Muhlenberg, students will now have an opportunity to study public health as a major, in addition to a minor.

JOHN WILLIAMS NAMED PRESIDENT

John I. Williams, Jr., an innovative and visionary leader with extensive experience in higher education, has been selected to be the twelfth president of Muhlenberg College. He will begin his tenure at the College on July 1, 2015.

John Williams with
President Helm at the
Press Conference
announcing the final
decision of the presidential
selection committee.

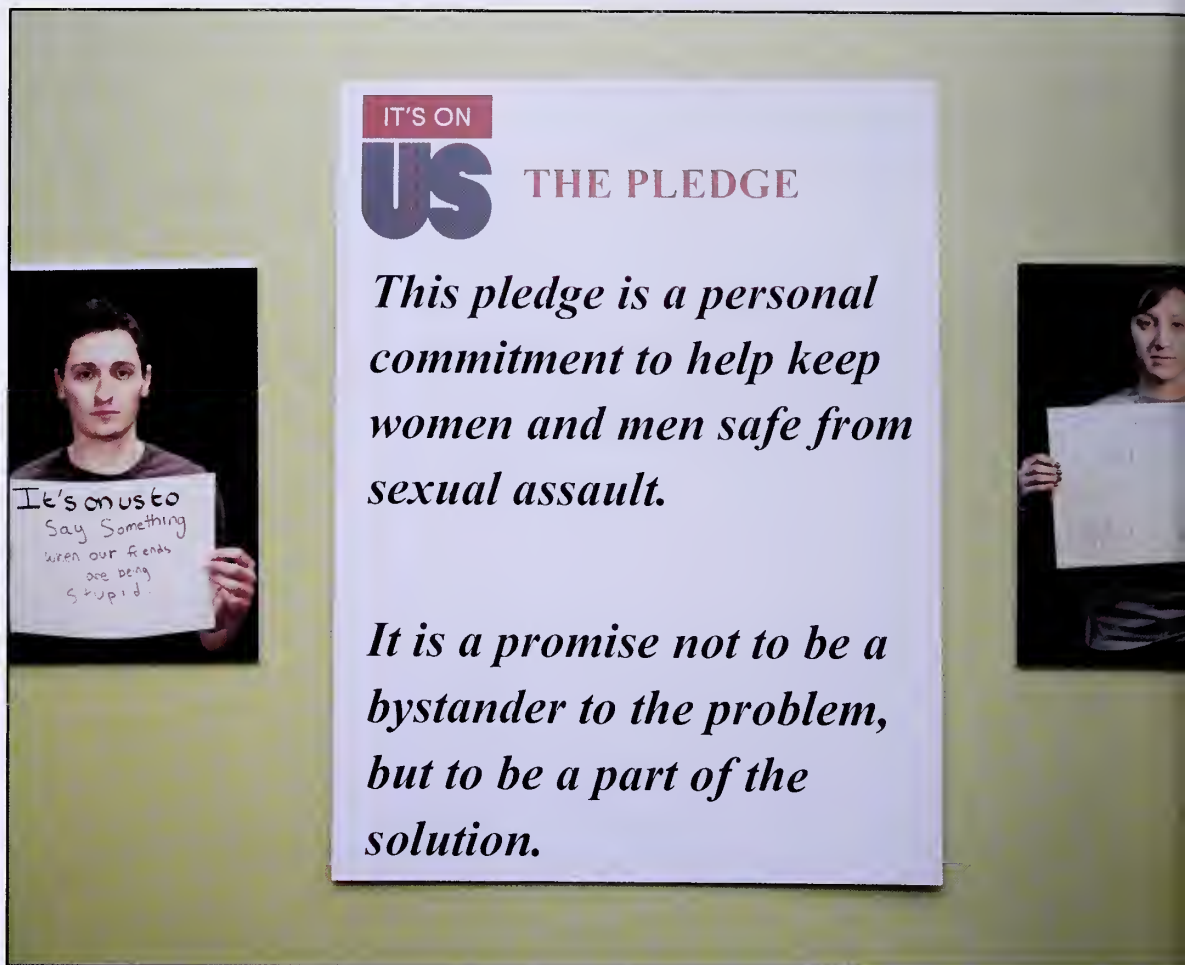

{CHANGES}

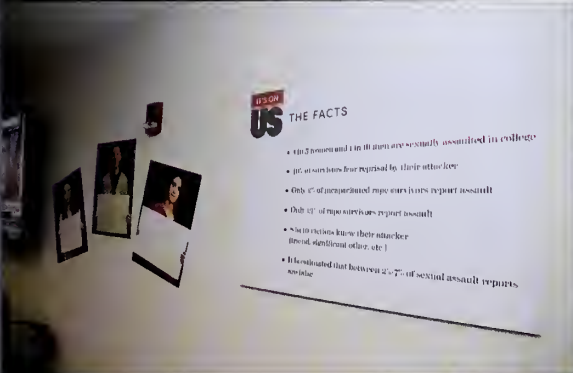

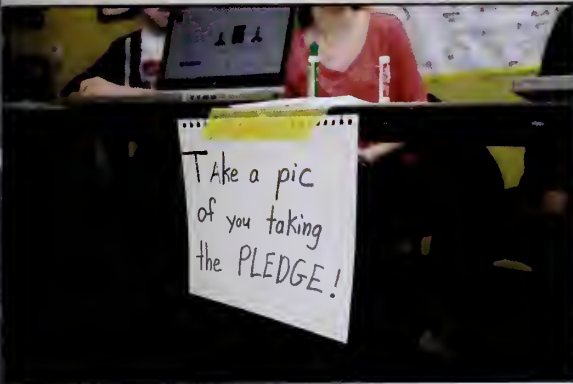

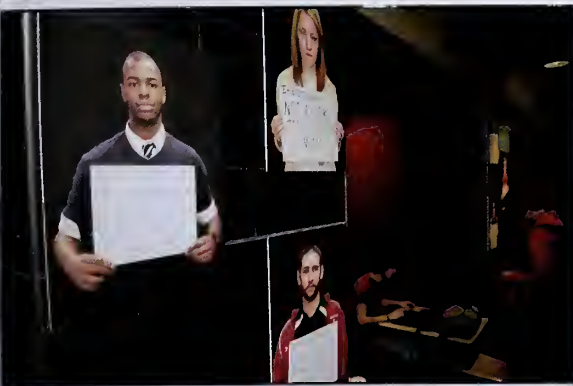

Two thousand and fourteen marked several changes/transitions on Muhlenberg's campus. On August 8th, the renovation of East Hall, Muhlenberg's oldest dormitory was completed. The dorm can now accommodate more students and has upgraded facilities.

The Curriculum Committee approved the Public Health major in the Fall semester. Students who study public health will gain an understanding of behavioral, economic, historical, political and social determinants of health and of the important relationships that statistics and science have on the design of public health interventions. "Students at Muhlenberg have shown great interest in learning ways to impact the health and wellness of communities and society that don't focus purely on medicine," said Chrysan Cronin, lecturer of biology and director of the public health program. "Our new major affords students the opportunity to draw from the wide range of disciplines at the College, studying health and wellness from different points of view, which is a key strength of a liberal arts education."

Also in the Fall semester, the College's Board of Trustees, with the help of a selection committee, voted unanimously to appoint John I. Williams, Jr. to become the College's 12th president. Williams has an extremely qualified background in academia as well as business. "I am drawn to the opportunity to lead Muhlenberg first by my deep passion for the liberal arts, the performing arts, pre-professional programs and the power of transformational learning more broadly," Williams wrote in his statement to the search committee.

In 2014, the Obama Administration launched the It's On Us campaign as an effort to end sexual assault on college campuses nationwide. Muhlenberg students, working with Lee Kolbe the Title IX Coordinator and supported by student affairs, the Feminist Collective, Hillel, PHAM (Peer Health Advocates at Muhlenberg), SASS (Sexual Assault Support Service), and Students for Reproductive Justice, launched the campaign on campus to recruit the College community to stand as advocates in eliminating sexual assault. The campaign took place in the Light Lounge where visitors were asked to sign a physical or virtual pledge from ItsOnUs.org. Statistics from notalone.gov indicate that one in five women and one in sixteen men will experience sexual assault in college. The students leading the campaign believe that having conversations about assault, which admittedly can be difficult, is the first step to ending the violence.

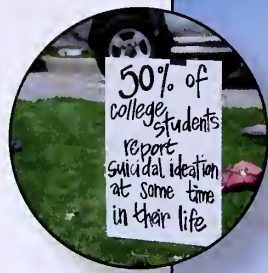

"Sexual assault is an issue that's not often talked about, and this campaign creates conversations that make people face it," says Hannah Busis '17. "Talking about sexual assault makes people feel collectively more responsible, and that may be the best way to end it. Muhlenberg is a caring community, which makes it even more important for us all to take responsibility for each other."

"We hope that this campaign will encourage students to take it upon themselves to intervene in situations where they see and encounter risky behavior," says Hannah Bobker '17. "We want our community to step up, speak out and take action to protect their peers."

ABOVE: Shoshana Marin '17, Kieran Lorenz '17, and Myles Dworkin '15 participating in the campaign to end sexual assault and violence.

{Send Silence Packing}

Send Silence Packing is a nationally recognized traveling exhibition of 1,100 donated backpacks, representing the number of college students lost to suicide each year. The program is designed to raise awareness about the incidence and impact of suicide, connect

students to needed mental health resources, and inspire action for suicide prevention. At each exhibit of Send Silence Packing 1,100 backpacks are displayed in a high-traffic area of campus (like the campus quad), giving a visual representation of the scope of the problem and the number of victims. Active Minds Inc. has collected and continues to collect backpacks and personal stories in memory or in honor of loved ones impacted by suicide. By displaying backpacks with personal stories, Send Silence Packing puts a "face" to lives lost to suicide and carries the message that preventing suicide is not just about improving statistics, but also about saving the lives of daughters, sons, brothers, sisters and friends across the nation. The Division of Student Affairs, Counseling Services, Residential Services, Disability Services, Student Activities, and Active Minds all sponsored the event.

Faculty & Administration **A Close Up**

The alarm clock sounded, we jumped out of bed, threw on our sweatpants and dashed out the front door, hoping to make it to class before the bell rang.

As we cursed the morning and grumbled when the roll was called, it was easy for us to forget students weren't the only ones who watched the clock. So did the professors – those infamous men and women who weren't listed on the attendance sheets but nevertheless were required to be in the classrooms – on time.

The professors: they lectured us, advised us, maybe even failed us, but without their dedication and patience in teaching us to the best of their abilities, some of us might not have made it to graduation.

In this section the camera focuses on the professors: those men and women who peered back at us from in front of the blackboards for four years.

Twelve Years Later

President Helm will retire June 30, 2015

Commenting on the announcement, Muhlenberg College's Chair of the Board of Trustees Richard C. Crist Jr. '77 stated that "Randy Helm has provided outstanding leadership to Muhlenberg for more than a decade. The College has a strong foundation and tremendous momentum thanks to his efforts. The opportunity to build on the success of the past 10 years should be very attractive to an excellent pool of accomplished leaders." Helm took office July 1, 2003. Under Helm's leadership, the College's endowment grew from \$70 million to \$200 million. During Helm's tenure, the College developed two Strategic Plans, completed

ABOVE: Psychology Department

a new life sports center and new science building, expanded and renovated Seegers Union, built new residence halls, expanded its Hillel House, and

retrofitted existing buildings as new facilities for the performing arts, multicultural life, global education, and social sciences.

Spotlight: Rabbi Melissa Simon

LEFT: Religion Department

Rabbi Melissa B. Simon is the Jewish Chaplain and Hillel Director at Muhlenberg College. Prior to joining the Muhlenberg Hillel team in July 2014, she was the Director of Lifelong Learning at Shir Tikvah, a Reform synagogue in Minneapolis, MN. Rabbi Simon received Master's Degrees in Jewish Education

and Hebrew Letters and was ordained by Hebrew Union College-Jewish Institute of Religion. While a student at HUC-JIR, Rabbi Simon was named a Mandel Fellow studying visionary leadership and Jewish education. Rabbi Simon served as the Cooperberg-Rittmaster Rabbinic Intern and Director of Children's Education at Congregation Beit Simchat Torah in New York and the Rabbinic Intern at Denison University in Ohio. She is passionate about Jewish education, social justice, inclusive Jewish communities and empowering young people.

Campus Safety

We have twelve sworn, full-time police officers. The vast majority of our officers have prior law enforcement experience that they bring to our campus community. In addition, we employ four sworn reserve officers that have the same training as the other Officers within the department. All Officers receive on-going training in those areas that require quick and appropriate response. In addition, we have full-time dispatchers who are on duty 24 hours each day. They are also CPR, 1st Aid and AED certified. Each semester, we hire a number of students who assist in

various capacities within the department and on campus. We also oversee the student-run Emergency Medical Services on campus which consists of over forty students. They are available to provide almost immediate medical attention while in direct contact with off-campus emergency responders.

After forty-six years of service and commitment to his students, the Chemistry Department, and the College, Dr. Shive is retiring this year. We will miss Dr. Shive's wisdom, enthusiasm, and genuine care for his students' success. He has served as research advisor to 75 students over the last 25 years. His students frequently present at Intercollegiate Student Chemists meetings and publish student results in the

Microchemical Journal. His recent research has involved electrochemical detection of compounds separated by TLC; a kinetic analysis for determining ALT in micro samples of blood so that our blood supply could be screened for hepatitis prior to collecting blood from donors; and coupled chemiluminescent analyses of biological active analyses. This past year he has worked with his students to trap fullerenes in micellar cavities so that aqueous chemistry of the fullerenes can be studied.

Dr. Chrysan Cronin, Professor of Biology
and Director of Public Health minor

Dr. Roberta Meek, professor of History
and Media & Communications

The Biology Department at Muhlenberg College is composed of distinguished faculty who are highly engaged in their teaching and research, and students who are equally enthusiastic about studying the diversity of life in a liberal arts environment. As a department, we value the breadth of our discipline. At all levels, we engage students in the creative and investigative process of science as they develop critical and analytical skills and an understanding of the methods by which biologists study nature. Our students collaborate with faculty on research that leads to professional presentations and publications, choose to do internships at one of our local hospitals or study abroad. Our students are active in the Muhlenberg community through clubs such as Synapse, Biology Club, and Muhlenberg College EMS. The Biology curriculum prepares students to pursue careers in

Dr. Elizabeth McCain, Professor of Biology

scientific research and medicine or to apply their biology education to fields as diverse as law, medical illustration, public health, and science education. Whatever their chosen field, our alumni are well-respected, often published members of their professional communities.

Getting Organized

Whether it was before, during, or after class hours, being involved in the different clubs and organizations on campus was for many an important aspect of college.

Some members of the Muhlenberg Weekly, 91.7 WMUH Allentown, or the Student Government Association were not only full-time students but full time journalists, broadcasters, and politicians, respectfully.

Some, like Best Buddies, Colleges Against Cancer, and Habitat for Humanity worked endlessly to help others and contribute to the greater community.

But to all, no matter what their individual focus was, being involved in an organization or activity called for budgeting time, setting priorities, and getting organized.

BELOW: Noteworthy is a co-ed a cappella group dedicated to performing songs from Broadway shows and movie musicals. It is the purpose of Noteworthy to give Muhlenberg College students another outlet for musical expression through an a cappella setting. They rehearse throughout the week and end the semester with a large final concert of their repertoire.

ABOVE: InAcchord is a co-ed a cappella group. The group continues to add flavor to their growing repertoire by infusing their song selections with a wide array of musical genres, giving the group a unique and diverse sound. InAcchord looks to bring its vibrant spirit and love of music to the stage to get the audience pumped up.

ABOVE: The Acafellas are Muhlenberg's all-male a cappella group, featuring a diverse repertoire of music and specializing in entertaining audiences with a blend of musical talent, casual fun, and occasional humor.

LEFT: The Chaimonics are a co-ed a cappella group made up of students who enjoy singing a wide variety of music from classic rock to pop and even in Hebrew! In addition to performing on and off campus, you may find them singing at any of Hillel's special events!

A Cappella Groups & Other Performance Groups

The A Cappella Council is a supervisory and governing organization that oversees all interactions between Muhlenberg's six a cappella groups. The ACC provides support for all a cappella groups to facilitate peaceful and professional interactions and is responsible for coordinating any events that pertain to all groups. This includes, but is not limited to,

auditions, rehearsal and concert booking, fundraising and the annual A Cappella Fest. Muhlenberg has several a cappella groups including, The Acafellas, Noteworthy, InAcchord, Girl's Next Door, the Chaimonics, and the Dynamics (featured page 54.)

LEFT: Girl's Next Door (GND) is an all female a cappella group at Muhlenberg founded in 1999. The Girls Next Door arrange and sing all types of music and love to do it. We serve the community and the school by performing at various events.

ABOVE: The Muhlenberg College Choir, a mixed chorus, performs Fall and Spring concerts of sacred and secular music. During the first weekend in December, the Choir sings multiple performances of the annual Candlelight Carol Service.

BELOW: Live In Color, Muhlenberg's one and only show choir.

ABOVE: Mint* is a hip-hop style dance team that performs at various events on campus. Mint* does not require any previous dance training in order to participate, but does hold auditions.

ABOVE: The Copasetic Rhythms is Muhlenberg's student-run tap group.

FUZiiON (fusion) Dance is a co-ed collaborative dance group that focuses on Hip-Hop, Jazz, and Contemporary styles. They perform at events on and off campus throughout the year. They work collectively on concepts for all of our pieces; every member has the opportunity to propose an idea, and more notably, members also have the opportunity to choreograph their own pieces. Auditions are required, but no previous dance experience is necessary.

LEFT: The Perkulators are an energetic, dedicated and talented group of dancers who perform at halftime of football, basketball, soccer and lacrosse games, as well as pep rallies, talent shows and other events around the campus community. Our performances are fresh, fun, clean and upbeat in order to keep the campus motivated and entertained. Under the advisement of Jane Schubert, the Perkulators are a student run organization with a membership of approximately twenty highly trained dancers. We hold auditions in early September, practice twice a week and perform throughout the academic year. Continuing to grow in number, recognition and involvement around campus, the Perkulators take pride in representing Muhlenberg College

ABOVE: The Ukulele Ensemble is one of the newest and fastest growing performance groups on campus, the Ukulele Ensemble is a club dedicated to music, fun, and (you guessed it!) ukuleles! We play several gigs per semester at various campus events, and arrange and practice new music on a weekly basis. We're always looking for fresh ideas and new faces, and encourage everyone to join, from beginners who just want to learn to seasoned uke-masters!

ABOVE: The Muhlenberg Theater Association (MTA)

"You don't have to be a theater major to get involved in theater on campus!"

The Muhlenberg Theatre Association aims to enrich the campus with theatrical performance. They do this by providing opportunities to create, participate in, and attend a variety of engaging performances. The MTA, in conjunction with the Department of Theatre and Dance, produces 6 Mainstage Production & an average of 20 Student-Run Productions each year. The Muhlenberg Dance Association (MDA) is an active

part of performing arts life on Muhlenberg's campus. Made up of students from many different programs and majors with a common interest in dance performance and production, the association presents students with the opportunity to perform, choreograph, and learn the elements of putting on a concert. Each year there is one faculty concert, two student concerts, and two informal showcases that MDA members can audition for. The Student and informal concerts are choreographed by dance majors and minors and give members of the MDA a chance to work

Dance Teams, Performance Clubs, & Theatre on campus

together and collaborate on a creative process. All shows are cast through an audition process and give dancers the opportunity to participate in multiple shows. The MDA strives towards being involved with the community by performing at schools and nursing homes and participating in on-campus events such as Relay for Life. Not only does the association work towards building strong and lasting relationships between its members, but between those in the surrounding arts communities as well.

BELOW: Phi Beta Kappa is a distinguished fellowship of scholars devoted to liberal education and intellectual pursuits. It is, without question, the nation's most prestigious honor society for undergraduates in the liberal arts and sciences.

ABOVE: Colleges Against Cancer (CAC) Exec works all year round to prepare and plan for Relay for Life. The group works to eliminate cancer through strategic directions advocacy, cancer education programs, and survivorship. Whether it is writing letters to Congressmen, organizing Relay for Life, or teaching students about preventing cancer, the program enables college students to battle cancer on our campus.

ABOVE: The Student Government serves as an executive instrument for directing student life and providing democratic government in all phases of student activity. Through its standing committees, the Student Government is involved in all aspects of Student life. The Muhlenberg College Student Government is a founding member of the American Student Government Association.

LEFT: The Muhlenberg College Tour Guide Program is extremely selective process where freshmen and sophomore students can apply and after an interview and a training weekend, they are all set to go out on their own! Tour Guides are very important at Muhlenberg since they are the first impression prospective students get of the school.

Selective & Competitive Groups

Student Government, Tour Guide, EMS, etc.

On campus, there are various groups one can join beginning freshman year. From the Cardinal Key Society to the Tour Guide Program, EMS to Student Government. While these organizations are highly competitive, many students are accepted each year and excel in these programs. The Cardinal Key Society works with alumni and the Alumni Relations office during Homecoming weekend

and Graduation weekend. Tour Guides are an integral part of the college for current students as well as prospective students and families. Whatever the organization, Muhlenberg students are passionate about what they do and committed wholeheartedly.

LEFT: Muhlenberg College EMS is a student-run, volunteer EMS organization serving our campus.

We are in service when the College Health Center is closed - 5:00 p.m. to 8:00 a.m. on weeknights, and 24-hours on weekends (5:00 p.m. Friday to 8:00 a.m. Monday.) Our membership currently consists of 23 certified EMTs and 11 Training Corps members. We operate as a Pennsylvania Department of Health-certified Basic Life Support Quick Response Service, which means that we arrive on scene quickly, stabilize the patient, and prepare them for transport to a hospital by ambulance (if needed).

ABOVE: Peer Health Advocates at Muhlenberg (PHAM) are student leaders who serve to promote the health and wellness of the campus community. To accomplish our mission, we: Empower all individuals in the community to engage in responsible decision-making by offering educational outreach activities and programming; Create a community support system that fosters active healthy lifestyles by connecting existing resources on campus; Lead the community in adopting health promoting behaviors by sustaining a healthy culture on campus.

LEFT: Muhlenberg College Hillel serves the most active Jewish campus population in Pennsylvania's High Valley. Over 33% of the 2200 member student body at Muhlenberg College is Jewish. Over two-thirds of the Jewish students on campus are active in Hillel, making it the largest student organization of any kind on campus. Hillel is recognized by the college administration as a model for quality student-focused programming and chaplaincy. Jewish students are a proud and energetic group at Muhlenberg. Their enthusiasm and commitment drive all that we are able to accomplish.

Greek Life

Most Greeks could probably remember having second thoughts about their new member process but could not recall why they ever had doubts about "going Greek."

The fraternity or sorority way of life was like nothing else on campus. Greeks took classes together, partied together, laughed together, and cried together. Their unity was unique.

Unlike residents, who often drifted from dormitory to dormitory or simply stayed put, Greeks chose their homes and the people with whom they would live. Making that kind of commitment to a particular house created an emotional bond that a resident simply could not share with others by living at East, ML, or Prosser.

And the bond did not break when Greeks graduated. Alumni were welcomed back to campus in style and were considered as much a part of their houses as the people presently living in them.

Greeks provided their own support systems to each other, like close-knit families. It is no wonder that Greeks called their housemates "brothers" or "sisters."

Alpha Chi Omega

Alpha Chi Omega has been very involved this past year in not just on campus activities and clubs, but with our philanthropy, Turning Point of the Lehigh Valley. Our members hold executive board positions in clubs such as the Social Justice Collaborative, Students for Reproductive Justice, Active Minds, the Muhlenberg Activities Council, and even Student Government. This past spring our VP Philanthropy worked with an Allentown boutique in organizing a fashion show on campus that featured local high school students and offered attendees the opportunity to win various prizes through a raffle. All of the proceeds went to Turning Point, the women's shelter found in Allentown. In the fall, Alpha Chi organized a dodgeball tournament that was open to the entire campus in order to raise money for The Sharing Network in honor of an alumna's father. We look forward to even more campus involvement and community service in the upcoming year!

Delta Zeta

Delta Zeta is an organization of strong, motivated college women who dedicate themselves to personal and community growth. This is achieved through philanthropic work as well as campus-inclusive programming during the school year. One of Delta Zeta's proudest accomplishments is the annual Chips for Charity philanthropy event, co-hosted with ATO, which raises money and physical donations for the Valley Youth House. The second-annual event took place this year on March 13 and raised \$5,377 for the charity. Sisters of Delta Zeta share a strong bond and are constantly striving to challenge themselves and each other.

Phi Mu

Phi Mu is a women's organization, which provides personal and academic development, service to others, commitment to excellence and lifelong friendships through a shared tradition. In the fall our chapter celebrated a successful recruitment, initiating a pledge class of 33 new sisters. As a chapter we had the incredible opportunity to visit The Children's Hospital of Philadelphia, our local hospital for our philanthropy, Children's Miracle Network Hospitals (CMNH). As a chapter we enjoyed going apple picking, painting pottery, and helping to clean up our local park for National Philanthropy Day. In the spring our chapter had two wonderful pre-recruitment events, introducing freshmen to Phi Mu and Greek life. We also had our annual philanthropy events, the Wheel of Miracles and our Yofresh Fundraiser, in which the money raised will be donated to CMNH. This has been an amazing and successful year for Phi Mu and we will miss our graduating seniors. Good luck and LIOB!

Phi Sigma Sigma

This past fall, Phi Sigma Sigma welcomed 30 wonderful young women into our sisterhood, all of whom are very involved on campus with philanthropy and leadership roles in other organizations. Phi Sig had a very successful year, with various philanthropy events including "Spring Into Action" and our Masquerade Ball which we hosted with ATO. During Greek Week, Phi Sig was paired with Phi Mu and ATO and had a blast throughout the week! Though we are sad to say goodbye to our incredible seniors, we wish them the best of luck in the future, and are excited for what the fall will bring!

Alpha Tau Omega

ATO has had an incredible year; from an increase in community service to a rapidly growing brotherhood, everything seems to be looking up for the Muhlenberg Alpha Iota chapter of America's National Leadership Fraternity. Our brotherhood was incredibly proud this past fall to induct twenty of the finest men on campus as a part of our largest pledge class since 1995. This incredible group of men was brought together in large part due to the excellent work of our previous recruitment chair, Jesse Lerner. This spring, we

were equally lucky to extend bids to six more upstanding young men who, under the leadership of our New Member Educator Dylan Levine, will make an outstanding addition to our fraternity. The brothers of ATO were also blessed to be given several opportunities

to help out our local community and to raise money for several well deserving philanthropic organizations. We were able to partner with Delta Zeta again this spring to bring back our annual Chips for Charity event which helps raise funds for the Valley Youth House, an organization built to help impoverished and abused youth in Allentown. We are also pleased to be able to continue to donate our time and energy at the Seventh Street

Revitalization Project in Allentown, where we are able to help beautify and clean a struggling part of the city. Additionally, ATO has been able to donate to several other institutions around the country with the help of the Muhlenberg Community through our open, philanthropic events held throughout the year.

Delta Tau Delta

The men of DTD continue to push each other to live lives of excellence by remaining active members of the Muhlenberg and Allentown communities while forming tight bonds with one-another. We remain proud of our diverse groups of individuals and place great emphasis on ensuring that every member of our brotherhood is treated with the respect and dignity that all people deserve. DTD strives to make its members the best men that they can be by actively engaging in community service and outreach programs, including our annual Juvenile Diabetes Research Foundation walks to raise funds for Type 1 Diabetes research, our St. Baldrick's head-shaving event to raise funding and awareness for juvenile cancer research, and our annual Pig Roast. When not serving the community, the brothers actively spend time together with frequent brotherhood events, strengthening the bonds shared by all members. We look forward to continually improving ourselves and our organization.

Sigma Phi Epsilon

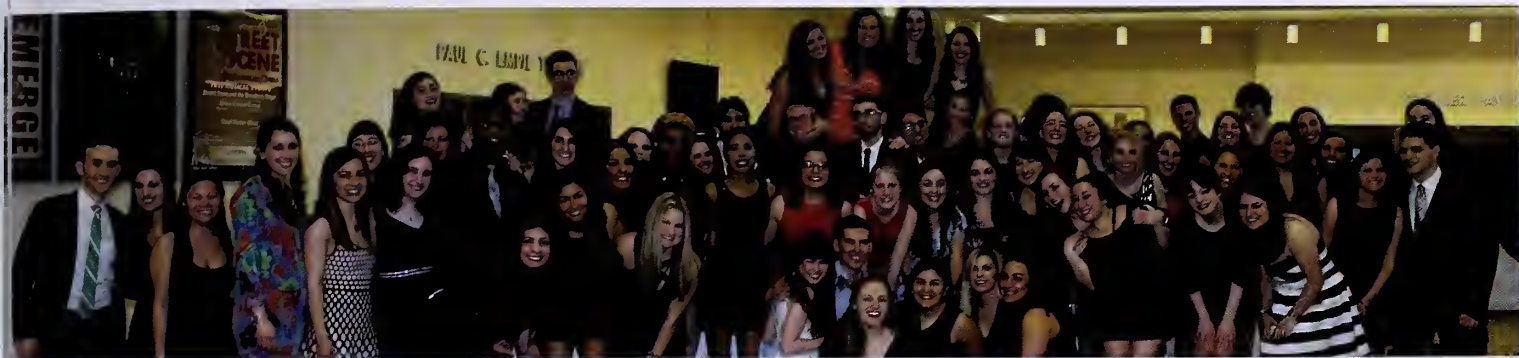

For nearly seventy-seven years, the Pennsylvania Iota Chapter of Sigma Phi Epsilon has remained part of both greek life and the wider College community. Holding true to our cardinal principles of Virtue, Diligence, and

Brotherly Love, Penn Iota has remained active on campus, seeking to maintain this long history. As we reflect on this past year, we are proud to

have worked with other members of greek life to make this campus a better place. Our most ambitious philanthropic effort this year occurred in conjunction with Muhlenberg's Inter-Fraternity Council. Spearheaded by Brother Jordan Wolkstein '15, the IFC was able to bring in Eric LeGrand,

former Rutgers University football player and spokesperson for spinal chord injuries and research. The brothers of Penn Iota were able to raise \$1500 for the philanthropy Mr. LeGrand represents. While this is just one instance of engagement on Muhlenberg's campus, the brothers of Penn Iota look forward to continuing this history for many years to come.

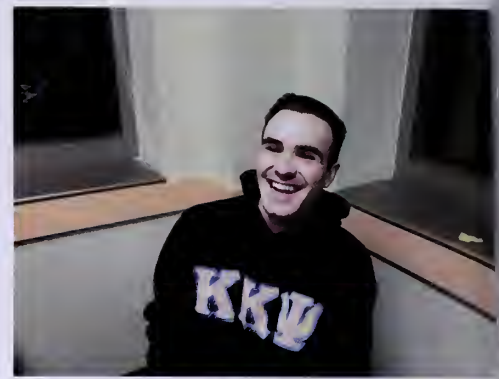

Alpha Phi Omega

Alpha Phi Omega (APO) is a co-ed national service fraternity. Here at Muhlenberg, it is the largest fraternity on campus, with over 90 active members. The brothers of this organization integrate themselves on a weekly basis in the community to help improve not only Allentown, but the nation as a whole. Within the past year, APO has teamed up with Friends of Allentown Parks to increase awareness about Allentown's natural beauty and loyal community. Additionally, APO brothers engaged in Relay For Life, Mom-N-PA dental mission, Jefferson Field Day, and many more. If there is an opportunity to help the community, APO was there with a smile and a positive attitude. We are honored to engage in our community and provide the necessary volunteer services. Friendship, leadership, service. That is what we are all about!

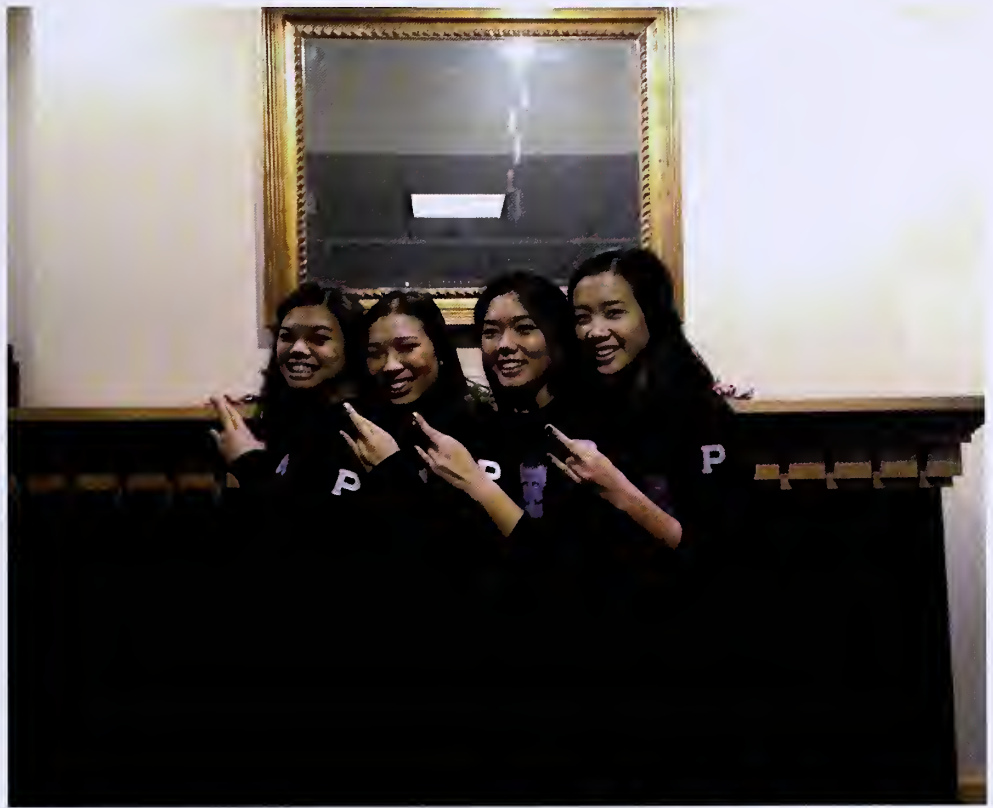

Kappa Kappa Psi

Kappa Kappa Psi is the National Honorary Band Fraternity. We are a co-ed service fraternity, specifically focused on the promulgation of the greatest achievements in music. On campus, we organize the music library, keep the band room clean, host a Spring Rock Band competition, are involved in almost every musical ensemble, and usher concerts. Off-campus we attend district conventions, volunteer at marching band competitions, and foster a relationship with other chapters nearby.

Currently we are building band fronts for the Jazz Ensemble. Kappa Kappa Psi has a local council, a District council, and a National Council, all striving for the best in music. While we may be small, our presence is felt nationally.

Theta Nu Xi

Theta Nu Xi Multicultural Sorority, Inc.'s five main tenets are Scholarship, Service, Sisterhood, Leadership, and Multiculturalism. In addition to winning all of the Muhlenberg Greek Awards for which we applied for in the past two years, the Resilient Rho Chapter received a national award in 2014 for being the Theta Nu Xi chapter with the highest GPA. For Service, we participate in as many community service activities as possible and we hold multiple chapter service projects per semester. In terms of Leadership and Multiculturalism, members of Theta Nu Xi were heavily represented in Multicultural Life leadership: two Comunidad Latina Co-Presidents, an Emerging Leader Mentor, a student representative on the Diversity Strategic Planning Committee, two Multicultural Ambassadors, three members of the Diversity Vanguard, and three actors from Muhlenberg's production of the Sedehi Diversity Play. Other leadership positions included the following: two Head Resident Liaisons, the Senior Class Representative for Cardinal Key, and two members of the Senior Class Council. One of our chapter sisters also became a member of Theta Nu Xi's Regional Leadership Team as the Regional Undergraduate Student Advocate. We have also initiated an annual anti-hazing pin campaign during Hazing Prevention Week (beginning in 2013), in which we collaborated with other student groups to spread awareness of the harmful effects of hazing. Finally, although we are so much smaller than the other Greek organizations on campus, our small size allows us to create more personal and intimate sisterhood relationships between and among lines, which are our equivalent of pledge classes. Furthermore, we do not see sisterhood solely among members of Theta Nu Xi but also inter-organizationally.

Out on the Field

Whether the action shot was on the field, the court, the track, the mat, or in the pool the 2014-2015 year in Muhlenberg sports was filled with memories of many dedicated athletes.

It was these students who trained, sweated, and ran toward goals that others had never dreamed of. And their rewards, more often than realized, were not always of recognition, glory, or scholarship. Simply, for our varsity athletes, rewards came in the form of knowing that they strove to reach their own and their team's full potential.

The Class of 2015

There are over 400 photographs in this section and each one represents one individual who has reached a plateau in his or her life. Graduation was an expansive and soothing plateau. It was a time to relax and to reflect. But not for long.

Upon graduation, we realized the new challenge before us -- we must start over again. What to do with our lives?

The decisions that once appeared traumatic -- deciding on Muhlenberg or picking our majors, were supplanted by the decisions of whether to continue our educations or to enter the job market.

In these four short years we watched as Muhlenberg made a lot of decisions, some improvements, and some mistakes. And we realized that within those years, Muhlenberg had changed somewhat, yet somewhat remained the same, and similarly so did we.

Although the Class of 2015 was made up of 562 individuals, we left the campus with much in common. As graduates, we helped make those decisions, improvements, and mistakes. Muhlenberg and us were one in the same. With our experience and the knowledge it yielded, we relished the thought of starting over.

Whether it is working in the biology lab, rehearsing for a dance concert, planning orientation or giving a campus tour, my Muhlenberg experience has been shaped by my involvement on campus. I appreciate the opportunities I have had to grow in all capacities by pursuing my unique interests in very different activities and disciplines. The challenges I have faced and the people I have met have encouraged me to think critically, problem solve and to ask questions. Being an active member on campus, not only did I get to try new things and step out of my comfort zone, but I also got to discover things about myself. I learned how I thrive, what makes me tick and what I find interesting. I have developed into an independent thinker with a thirst for knowledge and information and I have found connections between all of my different interests. Dance and biology aren't that different after all, and I attribute much of my happiness and ambition in both of these fields to the experiences I have had with campus activities.

When I arrived at Muhlenberg my freshman year, I knew that the school I had chosen was exceptional for its ability to cultivate the many passions students brought to its campus. I overwhelmed my schedule with a variety of organizations and offices that year, including: the Muhlenberg Weekly, the Tour Guide and Student Government Associations, Cardinal Key Society, Chamber Orchestra, and the Office of Community Engagement. While countless meetings and events flooded my year, and I had the opportunity to engage in everything from editing articles and discussing the impact of public education with alumni to training a group of volunteer tutors and explaining the power of writing to prospective students, that year I realized that Muhlenberg had brought me closer

to friends, professors, and mentors who reminded me that friendships also grow beyond the walls of a classroom. A year later I became a member of Phi Sigma Sigma and the Writing Program cohort, and I realized that the communities in which I inhabited lifted my heart and my mind. I still worried about the dizzying hours leading up to a research deadline or callused hands from my Bach cello suites, but I knew that I had found multiple families to smile at me from their seats in Empie Theater or ask me thoughtful questions about my research. I found professors, staff members, and classmates who shared with me their thoughts and allowed me to see the world through various lenses. Muhlenberg inspires us. If anything, this school has reminded me that the goal of education is to learn to become interested in something and to find nothing boring. Among meetings, rehearsals, community service, and writing, I think we learn to challenge ourselves to do a bit of everything and, in doing so, we learn to think, to empathize, and to connect.

Being part of DCF and holding the RA position really helped me understand the value of community. As an RA it was important to work as a team with other RAs on my staff. It was necessary for RAs to have really good communication in order to get the job done effectively. RAs also spent a lot of time bonding

together in community which helped us better understand each others strengths and weaknesses. DCF was a group where I was able to grow in my faith in Christ with other students. I felt as though my friends in DCF were my brothers and sisters. DCF was the community I would lean on when times got stressful in college. I believe everyone needs a support system of friends and community to rely on to have a healthy college experience.

All of the extra curricular activities I have been a part of while at Muhlenberg has definitely shaped my overall Muhlenberg experience. Most of my best friends, moments, and memories can be traced back to my time spent on the tennis team, Student Government Association, and the Cardinal Key Society. I really cannot imagine what Muhlenberg would have been like if I was

not involved with these organizations. I have built friendships with peers and advisors that will last way beyond my Muhlenberg years from these organizations. Whether it has been living with guys on the tennis team, or getting GQ after sitting through a two hour SGA meeting, or riding around on golf carts in the rain during homecoming weekend, I would not change any bit of my time here. Being a part of these organizations has done so much for me throughout my time at Muhlenberg, and it has really helped make my time here four of the best years of my life.

The last four years have been inexplicably great. Of all the benefits I've reaped at Muhlenberg, I think the many perspectives I've gained have been the most transformative. Anyone coming to this college to pursue a science major knows how strong Muhlenberg is, and it really does live up to its name - I knew I would graduate with a strong background and level of understanding in my major. I did not,

however, realize that I would be involved in so much more. The Learning Assistant program channeled my strength in chemistry and allowed me to help other students appreciate it as much as I do; the Music Department unraveled an entirely new world of perspective, taught me discipline, and revealed a new understanding of comradery; Kappa Kappa Psi reminded me that there is always opportunity to give back. Muhlenberg is the best place to further your passions, but also find new ones you had no idea existed, and everyone you meet is there every step of the way.

CONGRATULATIONS SENIORS!

How lucky I
am to have
something

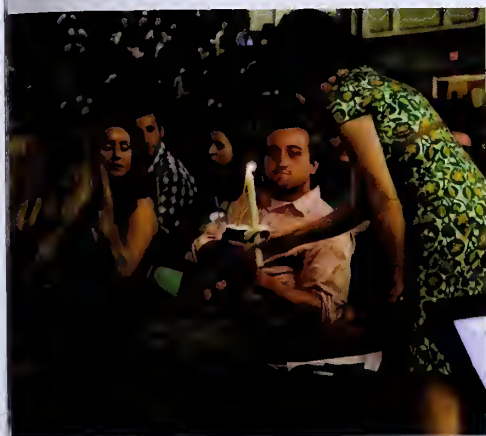

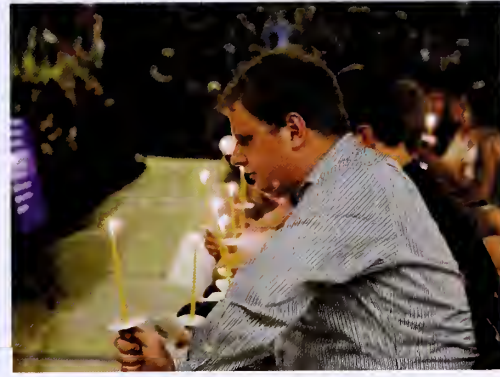

that makes
saying goodbye
so hard

2015

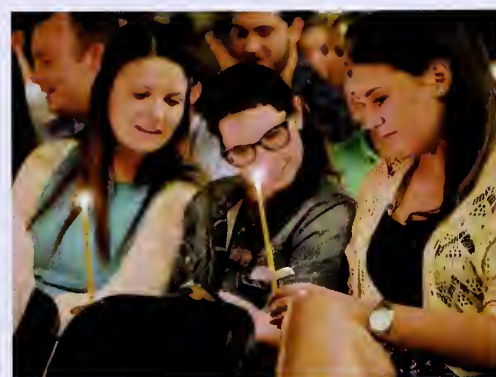

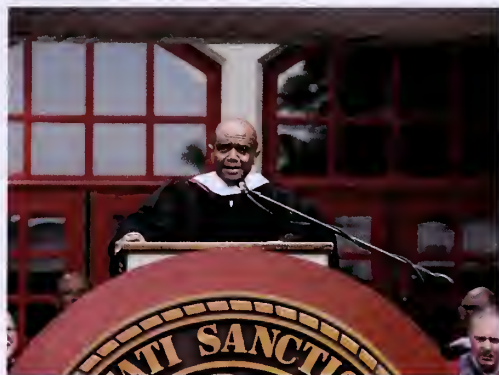

Champagne Brunch is held the Friday before graduation. Held in the Wood Dining Commons, the senior class comes together for brunch with student speeches, awards, and faculty addresses. The first weekend of freshman year, students write a letter to themselves often expressing their dreams for the next four years, sometimes including a small amount of money or other things. At the brunch, students receive those letters and are able to reflect on what they hoped to achieve and what they actually achieved.

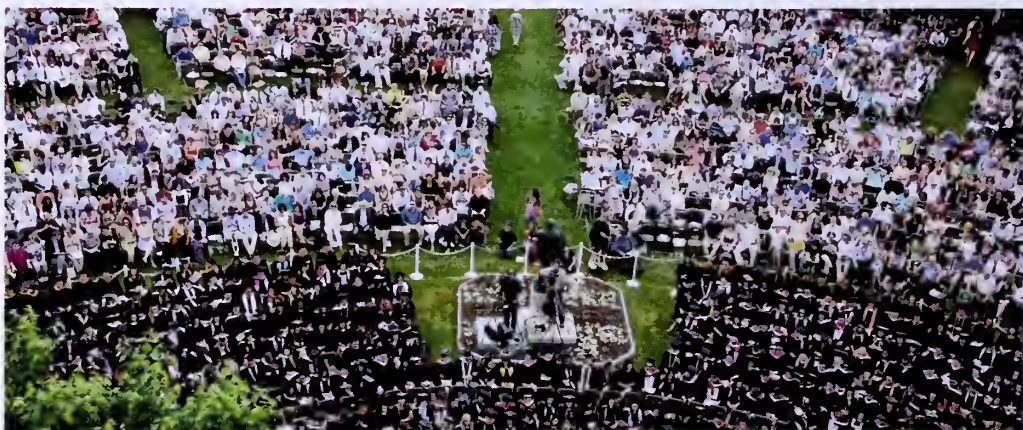

Baccalaureate is an inter-faith candle lighting service that begins the commencement weekend activities for our students and their families. In addition to readings and music offered by members of the class, President Helm addresses the gathering and several seniors offered reflections. Although optional, this event is attended by the vast majority of the class and by their families and friends. The ceremony takes less than one hour in total.

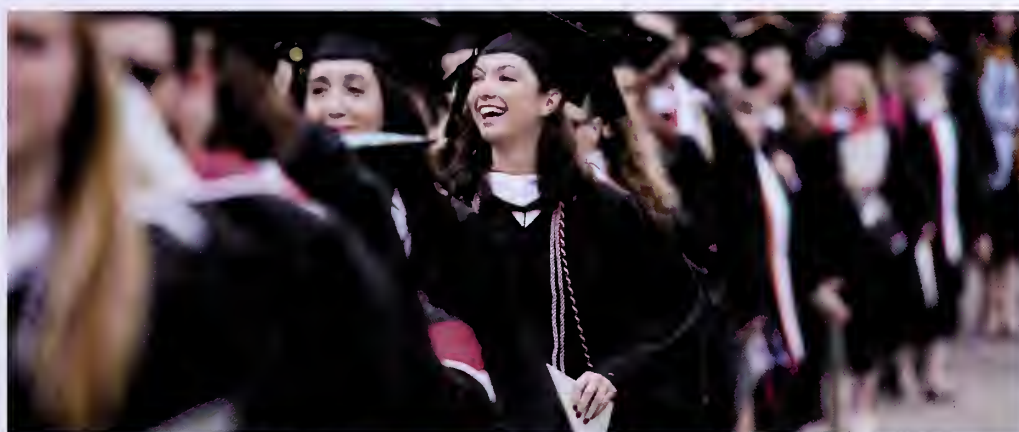

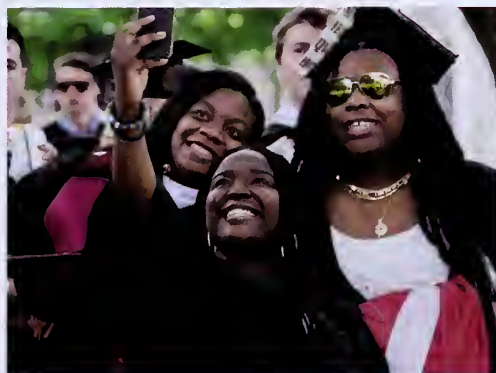

Letter from President Peyton R. Helm to 2015 Graduates and Their Families

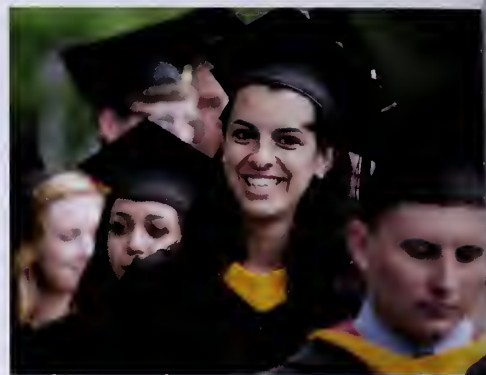

With great pride and anticipation, I invite you to attend Muhlenberg College's 167th Commencement Weekend on Saturday, May 16 and Sunday, May 17, 2015. The Baccalaureate Service will begin at 8:30 p.m. on Saturday with a Family Appreciation Reception held immediately after. The Commencement ceremony will begin at 10:00 a.m. on Sunday and lasts approximately two hours. Both ceremonies will be held on the College Green, with Memorial Hall serving as the rain location. We hope you will join us for the entire weekend.

Olivier Jean-Pierre, a religion studies and sociology double major, was selected to address his peers at the 167th Commencement ceremonies. "I am humbled by the opportunity. I don't take it lightly that the Class of 2015 would give me the responsibility to give this address," says Olivier. "The last four years, for many of us, were among the most transformative of our lives. I think it's necessary to process our time here before we move forward." Dr. Ronald Crutcher, national leader in higher education, served as commencement speaker; honorary degrees were awarded to Dr. Eric H. Cline, Ed Harris, Jackie MacMullan and Joia S. Mukherjee, M.D.

Graduation Attire

1. Cap, gown, hood, and tassel
2. Tassel starts on the right and will be moved to the left after the President confers the degree
3. Students who are members of a Muhlenberg Chapter of a National Academic Honors Society may wear whatever is the appropriate, nationally issued item at Commencement (i.e. keys, cords).
4. Students who have completed study abroad may wear sashes indicating their nation of study

Requirements for Bachelor of Arts,
Bachelor of Science, or Dual
Degree:

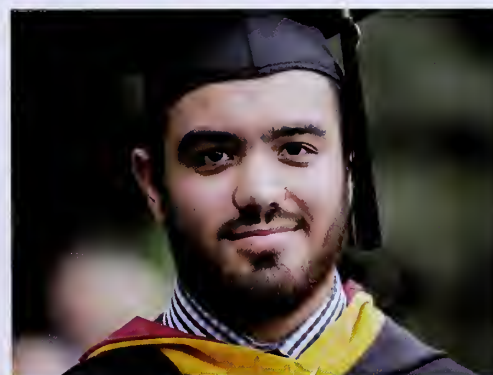

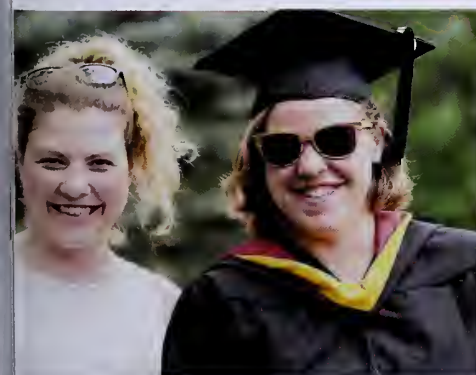

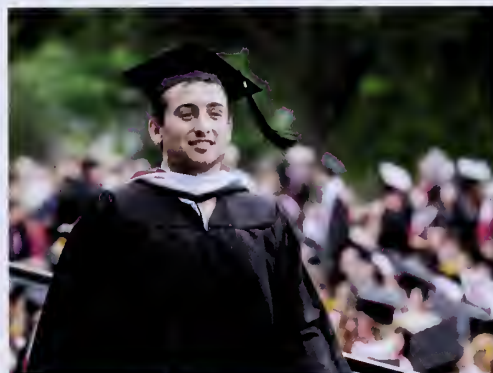

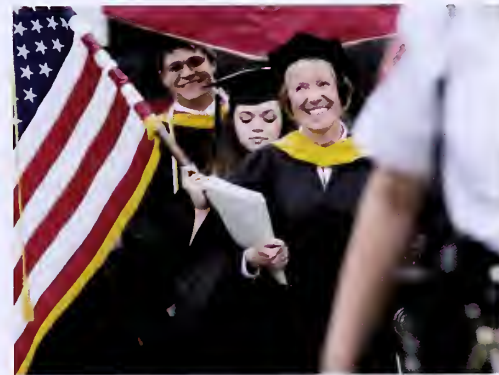

All General Academic

study

A cumulative grade point average
of not less than 2.00 based on the
total number of course units
attempted at Muhlenberg College

A cumulative grade point average
of not less than 2.00 in a major
field based on the total number of
units of major course work

Parent Pride

While we often liked to think we did it all on our own, the last four years could not have been possible without the help of our parents, grandparents, siblings, and other loved ones. They supported us; cheered us on at our games, performances, and ceremonies, while also encouraging us when we felt defeated. We made it through the past four years because they believed in us, even when we didn't believe in ourselves. These pages demonstrate how they never stopped believing and how incredibly proud they are of us! Thanks Mom & Dad!

Congratulations Ben
for an amazing four
years filled with
wonderful
accomplishments and
memories.

With love and pride,
Mom, Dad and Sarah

to our Scotty B,
Words cannot express how very
proud we are of this day;
Graduation 2015! We have
watched you graduate from the
"Little House," then
Kindergarten, eighth grade, high
school, and now Muhlenberg
College; what a pleasure it has

been to see you mature and grow into the young man that you
are today! You have always been one to follow your dreams and
accomplish your goals, and our hope is that you will continue to
do so throughout your professional career and your personal life.
You knew you wanted to go to Staten Island Tech, and then to
Muhlenberg College, and despite all of the attractive options,
nothing stopped you from being where you wanted to be. Your
four years at Muhlenberg have gone by so quickly, but we know
you have made the most of them. You have had a lot of fun, but
you also studied hard. You have made some amazing friendships
that will last a lifetime. Your ATO brothers will always be your
friends, and in this age of technology, you can always stay
connected.

As you enter the next chapter of your life, we know you are fully
prepared for success in whatever you do. You will have to work
hard, but you will reap the rewards. As a prospective third
generation CPA, you have made your entire extended family
proud as well, and you have two grandparents smiling down from
heaven at you.

Please always know that your parents will always be here for
you if you need us. There is nothing more important than family;
those are bonds that can never be broken. You have made us so
proud of you, and we want you to know that we love you
unconditionally. We are proud to call ourselves "Scott's parents."
Love you always,
Mom and Dad

Congratulations to our
Precious Jewel!
Love,
Mom, Dad and Sydney

Dear Caitlin,

We strolled down Diagon Alley together, took a turn around the parlor and listened to the confessions of Georgia Nicolson. Mom will always be in your debt for introducing her to the Cullen clan and we hear that flight 29 is down. It seems now that you were destined to be an english major. You're Beautiful in an infinite number of ways.

We are so proud of your achievements but more proud of the person you become and like a great book we are excited to see what the next page in your life will bring. Stay true to yourself and remember a cow says moo, a sheep says baa and three singing pigs say la la la!

With much love,
Mom, Dad and Ali

Congratulations Lauren Roberts
on your graduation from
Muhlenberg College
We are so proud of you!!!

"You are living the dream Lauren"

We love you,

Mom, James, Cozette
Grandpa Nick & Grandma Margaret

Dearest Michael

We love you and are so very proud of your accomplishments at Muhlenberg College.

When you set out for college 4 years ago, we only hoped and dreamed you would achieve your goals and passion. You way surpassed everyone's expectations and along the way made such wonderful friends and formed meaningful relationships with them and your Professors.

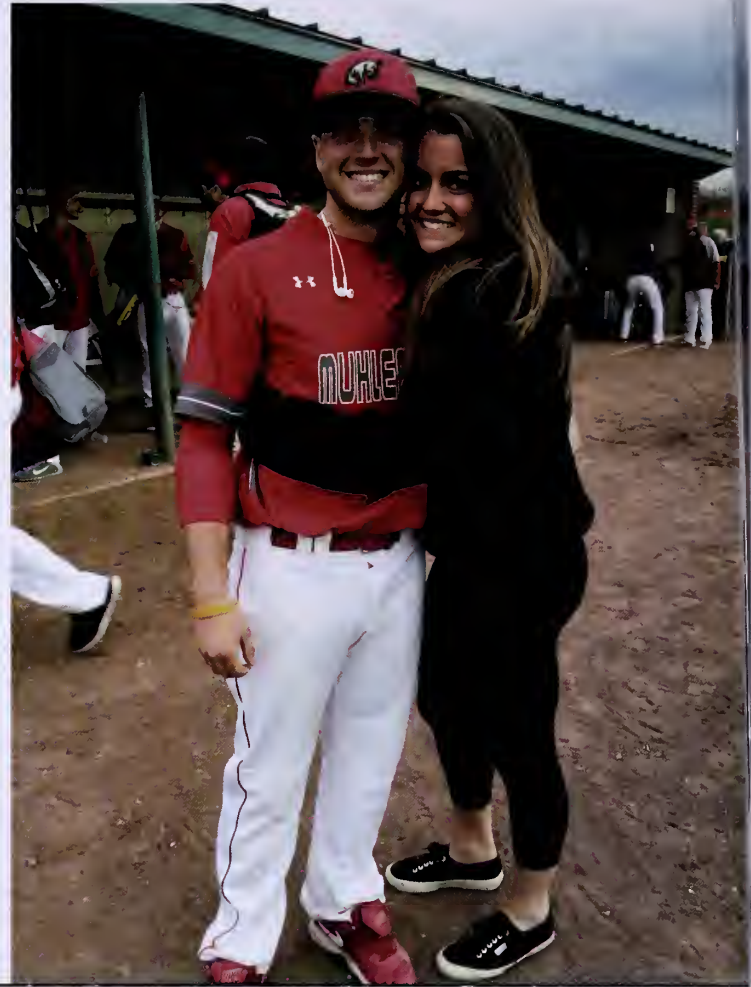

Muhlenberg has given you the tools to go on to higher education and your inner strength, intelligence , personality and wonderful ability to touch people's hearts will lead you to future successes in life

No matter what field you eventually choose to conquer within neuroscience , medicine, business or..... Conquer it you will!

Lots of love, happiness , good health and success we all wish for you .
Mazel Tov ! We are overwhelmed with great pride .

Love, hugs and kisses ,
Mom, Dad, Lauren and Grandma

Michael:

What can we say?

It feels like just yesterday we brought you up here, made up your dorm room, and departed from the "Goodbye Tent". That was one of the hardest days of our lives! Looking back on that day, having let you go and seeing how you've grown and matured, we could not be any more proud of you! You have accomplished so much, and exceeded all expectations that we had for you. It was great to see how disciplined you were when it came to studying at all hours of the day and night, and how proficient your time management skills became. Majoring in both Biology and Business was quite an accomplishment. Factor in playing on the baseball team for four years is almost unimaginable.

These four years have flown by extremely fast, and we're so proud to see that you have grown into an incredible young man. You are about to start the next chapter of a very exciting time of your life. Everything you have learned at Muhlenberg College, both inside and outside of the classroom, has made you very well prepared for this next step.

We will always be here for you. Every step of the way...no matter what! And always know that since the day you were born, you have always put a smile on both of our faces. We are very proud of you for the person that you are, and the incredible role model you have been and will continue to be for your sister, Samantha.

We love you, and wish you nothing but the best for your amazing bright future!!

Love Always,

Daddy, Mommy and Samantha

Rachel

We are so proud
of you!!

Time goes by so
quickly, and all of
your hard work
has paid off!

You are an
amazing person
with a wonderful
future ahead of
you. Enjoy the
beginning of the
exciting
adventure!

We cannot wait
to share all that
life has in store.

We love you!!!
Mom, Dad, Josh
and Hannah

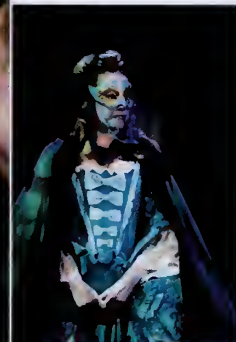

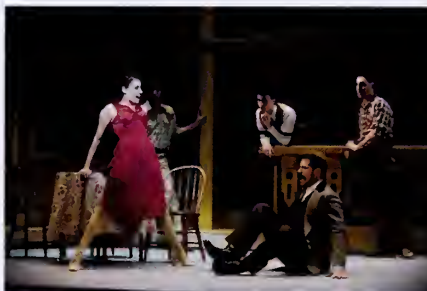

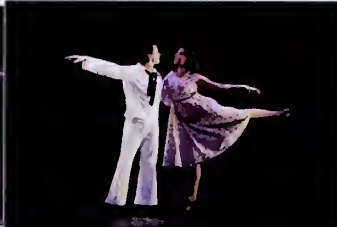

Proud is Inadequate...

In Love is Understated...

Unconditionally Loved is the Truth

Congratulations Dear Chelsea!!

You are our inspiration

All Our Love,

Daddy and Dad

~ Julia ~

*You have danced into the hearts
Of your family and friends.
Now, the rest of the world
Will know your beauty, kindness and grace.*

Congratulations

Julia Gastrinakis

&

Muhlenberg College Class of 2015!

Keep leaping for the stars!

The future belongs to those who believe in the beauty of their dreams ~ Eleanor Roosevelt

Erin Marie

*"Believe in what your heart is saying
Hear the melody that's playing
And give your dreams the wings to fly...
You have everything you need
If you just believe"*

Congratulations Erin Marie and the Class of 2015!!

We love you!!

Mom, Tom, Caitlin ('13), Katie, Marissa, Auntie Mo, Uncle Ed, and Ollie

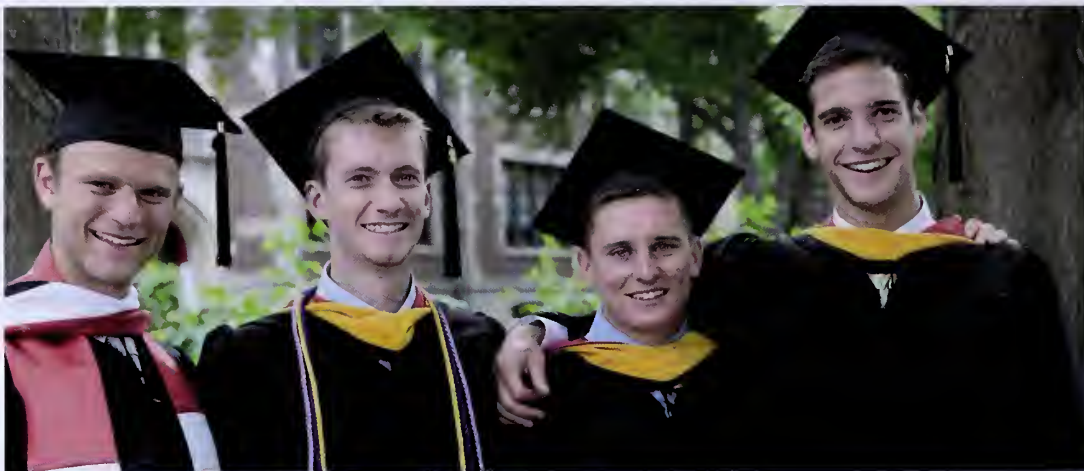

Congratulations Kirsten !

We are so proud of your academic and track achievements at Muhlenberg. "Our little Math whiz" is graduating *Magna cum laude* with departmental honors. You've worked hard as a sprinter and co-captain of the women's track team. You're going to make a great high school teacher starting in the John Hopkins Gifted Youth Program and beyond. The sky is the limit!!! Love Mom, Dad and Kyle

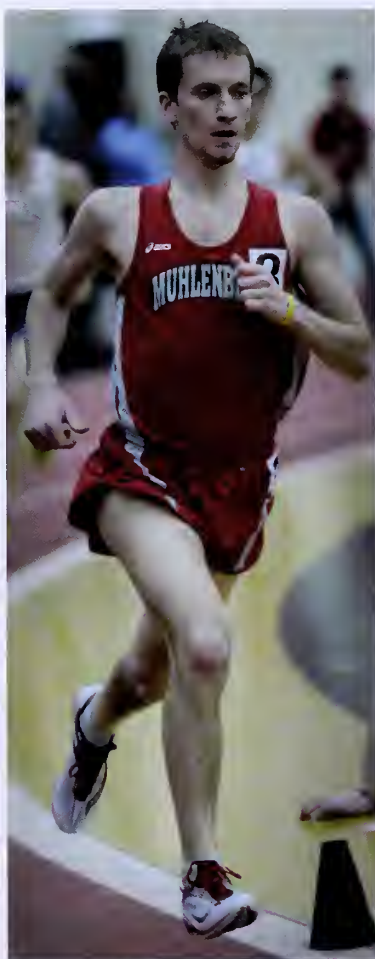

Run Free and Fearless into the Future
Congratulations on your Graduation. We are so proud of you!
Love,
Your Forever Fans

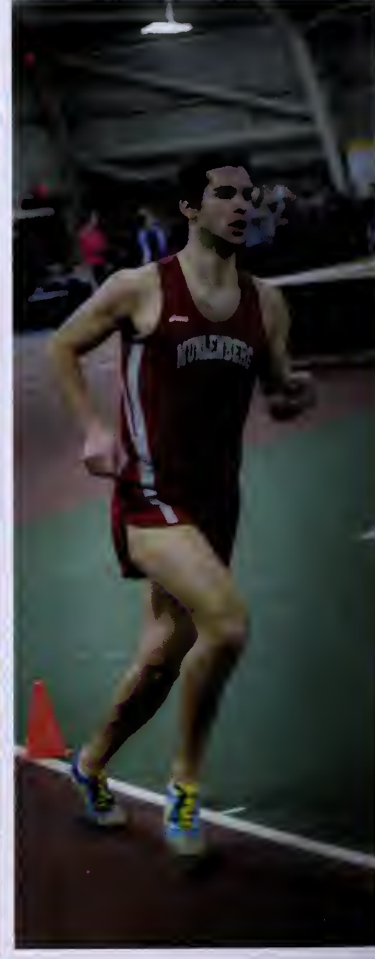

Luke Munyan

Zach Lifman

Josh Elkan

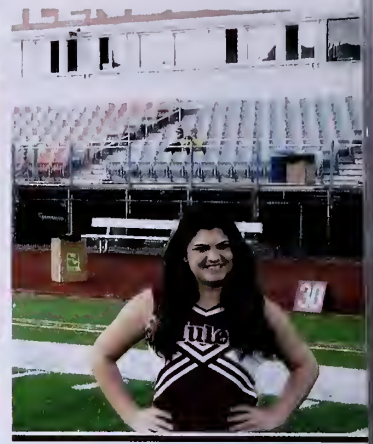

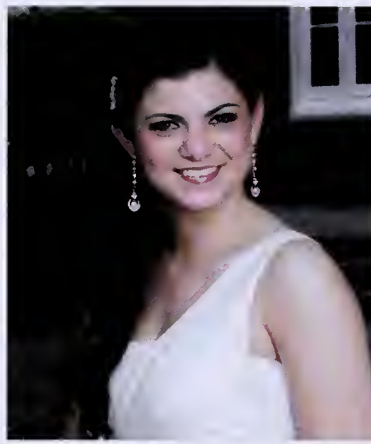

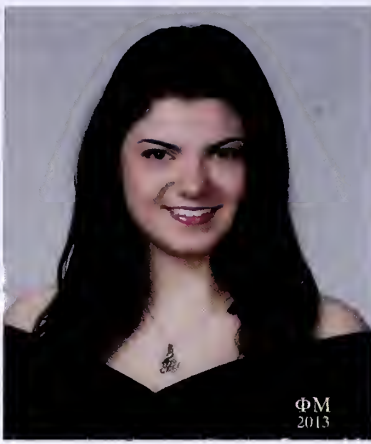

Tyler, Thank you for the memories. We are so proud of the man you have become. We know you will be successful in all you choose to do. ~All of our love and wishes for the future! Dad, Mom, Jared and Grandparents.

Kelly, your journey at Muhlenberg College started with your hopes and dreams. We are all proud of you for following them, pursuing your passions, and achieving your goals. Most of all, we are proud of the beautiful woman you are inside and out. As this chapter in your life at Muhlenberg comes to a close, we all are looking forward to the Drexel Medical School chapter you are opening. We can't wait for the details.

You go Kelly! Love you XOXO times 100 of us, Mom, Dad and your family.

Congratulation Krista, Class of 2015

Mom, Dad and the entire family are very proud of you,
as you should be for yourself.

It's been a long time and a lot of hard work.

Now you can take everything you learned and put it into practice.

"The Real World"

Don't ever change your personality, loyalty and ability to laugh and make others laugh.

Keep your eyes on the Prize.

Go Mules~~We Love You~~Phi Mu

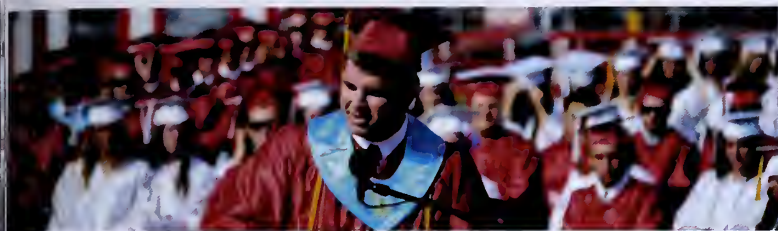

Marissa

"Go confidently in the
direction of your dreams.
Live the life you have
imagined."

Henry David Thoreau

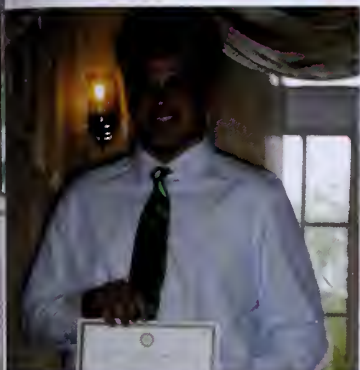

Congratulations!
With all our love,

Mom, Dad, and Joshua

Dearest Jake,

"You were born to go to school" - from your Little Friends Nursery School Graduation to your Muhlenberg College Graduation your devotion to learning has been nothing short of dynamic. To quote Walt Disney, "When you believe in a thing, believe in it all the way, implicitly and unquestionable"... Because YOU DID BELIEVE, and of course because of your enormous preparation and disciplined commitment to your dream... Medical School is now your reality! As you embark on this next academic journey of your education we know you will continue to be a dedicated, motivated and distinguished student of Medicine.

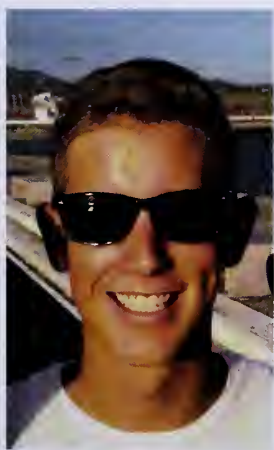

We are so proud of your vast accomplishments and the beautiful future that we know is absolutely in store for you.

WE LOVE YOU SO MUCH!

Mom, Dad, & Ry

Tyler

You have followed your dreams
and enlarged your world.

We are very proud of you.

As your next adventure begins,
continue to pursue your dreams.

Congratulations on your
graduation!

We love you!
Mom, Dad, Laura,
Jenna, & Marisa

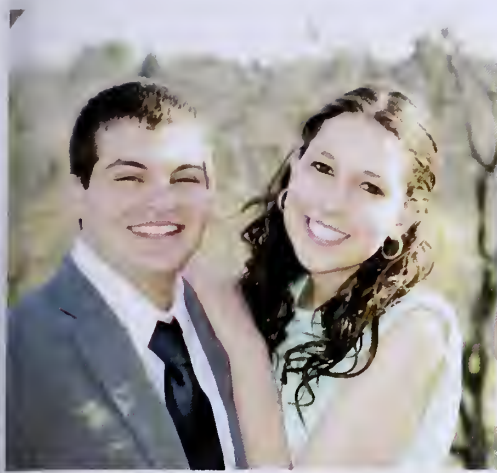

Jennie and Hannah,
It is hard to believe that our little girls are now graduating.
You have always been a joy to us and never more so than today!
With all our love,
Mom and Dad xo

Nicholas - To our beautiful son, our first-born . . .
an amazing brother, grandson, nephew, cousin
and friend to all those who have been blessed to
know you through these 21 years - we are so very
proud of you! As you continue your journey to law
school and beyond, we wish for you all of the love
and joy that you give to us every single day!

Love,
Mom & Dad

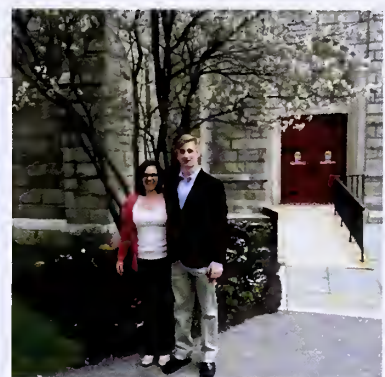

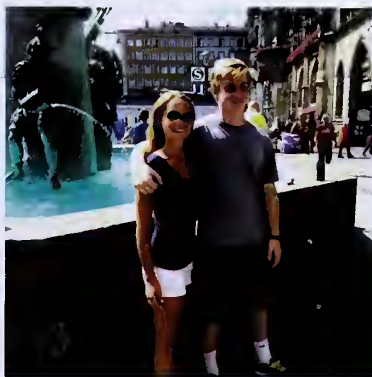

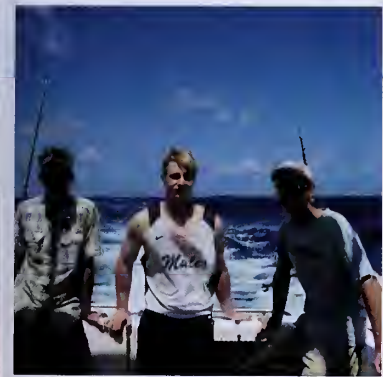

David White

We are so incredibly proud of you. It has been a wonderful journey so far. We look forward to seeing where you go from here. Know that we are always by your side and that we love you more than words can express.

Mom and Dad

Congratulations Adam and Best Wishes for a Bright Future! We are so very proud of all that you have achieved at Muhlenberg.

With Love, Mom, Dad & Anna

Justine A. Wnek

Congratulations!

We are proud of your all accomplishments!

*May your graduation be the next step
towards a life filled with joy, success, and
love. We admire your strength, wisdom,
and dedication to succeed!*

Love,

Mom, Dad, Colleen & Your Family

Dear Christina,

So many accomplishments...
a great education...
lifelong friendships...
so much fun!

Congratulations! We are so proud of
you!

May you always cherish your
Muhlenberg memories.

Love you!
Mommy, Daddy and Kimberly

TO OUR BEAUTIFUL COLLEGE GRADUATE, ASHLEE

So many years have gone by,
Four to be exact
And now you are leaving Muhlenberg
With a BA in Psych intact-
Your successes were many
And struggles a few
But mostly accomplishments
That we knew you could do!
But now it's time to move on
From Muhlenplagues and Muhlenbubble
And leave with fond memories
Of good times, great friends and no trouble...
Now onto the next phase
Of your life and career-
Go into your future with optimism and no fears
We know just how well you will do
In graduate school over the next two years-
So be proud of all that you have done
For tonight is the night
We celebrate with you and have fun!!

We love you very much, OXOX-
Mom, Dad, Molly, and your whole entire family!

Kayleigh it has been
a great 4 year ride...
You make us proud.
Love your
Mules Class of '15
family

Allentown Family Foot Care Congratulates

Nicholas Fritz '15

Delia Guthrie '15

Tyler Bauer '15

Emily,
Our family is
celebrating you today!
We are so proud of all
that you have
accomplished. You are
my super hero.

Love,
Molly
(and Mom, Dad and
Melky)

Congratulations!!

Mackenzie and Muhlenberg Class of
2015

Always remember you have within you
the strength, the patience and the
passion to reach for the stars and
change the world

Harriet Tubman

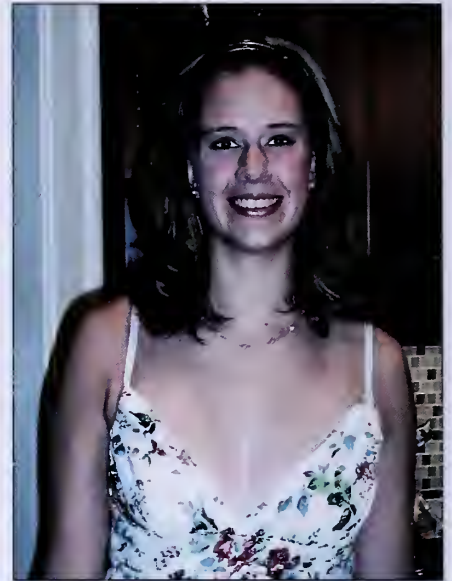

Share your dream and journey. You will always have each other.
Congratulations from mom and dad.

Lauren - We are so proud of you!

*Congratulations on finishing this chapter of your life. You are a bright, compassionate, enthusiastic young lady. We have no doubt that you will continue to touch many lives and accomplish great things. Stay true to yourself and remember we love you!
Mom and Dad*

Dearest Georgia,
We are so incredibly proud of
you and all your amazing
achievements.

CONGRATULATIONS !!

You are a smart, capable,
compassionate and beautiful
young lady.

A true joy.

May your future be filled with
happiness and prosperity.

We love you very much,
Dad, Mom and Costa.

Congratulations to Kristen Elizabeth
Romney, Muhlenberg College Class of 2015!

We admire your steadfast integrity, abundant
heart and generosity of spirit. To a
wonderful young woman who has and will
continue to bring much joy to our world, we
love you and congratulate you on your
accomplishments at Muhlenberg and in life!

All our love,

Dad, Mom, Alisa, Bruce and Stephanie

Dear Lexi,

We are so proud of the beautiful young woman
you've become.

From the moment you entered this world, you've
filled our lives with joy. Your strength and
determination has made you unstoppable.

Now as you graduate from Muhlenberg, we hope
you will carry with you many wonderful
memories. This has been a special time, and will
hold a special place in your heart for years to
come.

As you begin the next phase of your life, may you
continue to grow and flourish. Always be proud,
dignified and true. We will always be behind you,
win or lose, for in our hearts you will always be,
"Forever Young".

We love you,
Mom & Dad

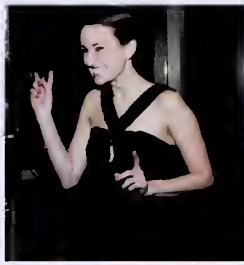

To our Dearest Angel, Kylie Rae, Toots, Klink, Socks, Mylie, Comet, Klee Klee;

Where do we begin...we have watched you grow, and laugh, and cry, and play, and create, and dance, and blossom, and evolve into an incredible young woman who graces us with her gentle heart and passion for life. You are kind and caring and notice what it means to make a difference, the kind of difference that makes life better for others. Your heart is sooo big and powerful! It never falters or becomes misguided by the monotony or complacency of the world. You see the beauty that others miss, and you have the desire to search for it everywhere you go. You danced your way around the world and left an impression on the hearts you encountered along the way. You've grown so much the past four years, and you have become that who you were awed by on your first visit to Muhl. You are that vision, that vibrant dancer with the radiant face who stole your heart and soul four years ago as you longed to find your place among the collegiate crowd. You have truly WOWED us and those who have had the privilege to know you, and we are certain the wowing will not end soon. Loving our little dancer forever and always!—Mom, Dad, Wes, Bray and Grandma

Congratulations Wendi! Dream big...anything is possible!

Your loving family,
Mom, Dad and Zachary

Lauren Alper

It has been an honor and privilege to watch you travel along the road to success. May your journey always bring you happiness. We

love you,
Mom, Dad, Jason, and Danny

And remember... "Though she be but little, she is fierce!"
Shakespeare

YOU DID IT, GABE!!

Congrats!!

You make us very proud!!

Mom, Dad, & Matt

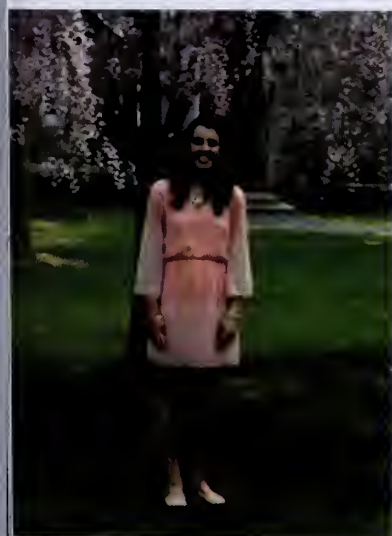

Dear Nicole,
You cannot imagine how proud we are of you. You have worked so hard to accomplish your dream and you have so much to look forward to. Your possibilities are endless. I leave you with this quote from A.A. Milne, Winnie-the-Pooh author - "Always remember you are Braver than you believe, Stronger than you seem & Smarter

than you think". We love you too much & forever, Mom, Dad and Amanda

Caps off to our Cassiah,
to your beautiful spirit and beautiful mind!
We admire your accomplishments and are so proud and grateful to be your parents!

All our love,
Mom and Dad

Dear Joey Adams,

Our joy has been to watch you grow
to become the man we now know

Take what you've learned, dear son
through struggles fought and won

Know that greatness lies within you
Much success in all you pursue

All Our Love and Pride,

Dad and Mom

JEFFREY WEISS

Congratulations!!

We are so proud of you!!

You have come so far-
We can't wait to see where you'll
go!

Love You To Pieces,
Mom, James, Eric, Eddie, Duke
& All Your Loving Family &
Friends

Congratulations to Melissa on your many
wonderful accomplishments at Muhlenberg.
"Your future is whatever you make it, so make it a
good one." -Doc Brown
With love always, Mom, Dad, Becky and Chloe

!CONGRATULATIONS!

BEYOND...XOX

O
Mom, Grandma,
Dean '18, &
Johnnie

*We are so
very proud
of you!*

Congratulations Tyler!

*May your future be
filled with as much
joy and happiness
as you've given us.
All our love always,
Mom, Dad & Jessica*

Congratulations to our shining
star, Emma, on all of your
wonderful achievements over
the last 4 years! We couldn't be
prouder of you! May all of your
dreams come true as you move
"on to the next!"

We wish you and the Class of
2015 happiness and continued
success in your journeys!

All our love,

Mom, Dad and Michey

**WE'RE BETTING ON OUR
AUNTIE'S FUTURE.**

*Congratulations to Elizabeth Harris from
Ada, Oliver and the rest of the family.*

It's been quite an adventure watching you grow
and learn. Way to finish strong with a
record-breaking year - we'll miss the volleyball,
but look forward to your future
accomplishments. Love you more than you
know, Mom, Dad, & Carter

Congratulations Marcus!

We are so proud of your accomplishments. You have grown into an intelligent, respectful, hard working and dedicated young man. GOD has wonderful plans for you.

This is only the beginning of your adventure!

Love, Mom

Congratulations
Samantha

From the little
girl playing
make-believe

to the woman you are today, we have
been so blessed with your love and so
proud of all your accomplishments.

Love,

Mom, Dad, and Alex

Congratulations
on your
graduation,
Rebecca!

Congratulations Sam! We are very proud of you and the dedication and hard work you put into everything you do. We hope you cherish the memories and friendships you have made in college and in field hockey. May you find success and happiness in all you do.

Love,
Mom, Dad, Matt and family

We knew the day we stepped foot on to the beautiful campus of Muhlenberg College that this was it! This was where you were going to spend the next four years of your life. When we went to accepted students day and you saw President Helm enter the room you were 110% sure in that moment that you were making the right decision to become a Mule! Your next words were "write the check today!", and we are so glad that we did! We are so happy that you took advantage of every opportunity that Muhlenberg had to offer.

You made such a difference and contributed in many ways to your school, and that makes us so proud!

We have seen you grow, mature, study hard, become independent and meet many amazing people that will no doubt be life long friends. We can't begin to tell you how proud of the person you have become and all of your accomplishments from being a leader in Dance Max, an executive board member of your sorority, (not to mention pledge mom), your community service contributions and your great grades, the list can go on.

We are elated to say that we know for sure that Muhlenberg College has helped you to become a well rounded individual and has prepared you to go out into the world and succeed in anything that you wish to pursue! A parent couldn't ask for anything more!

We love you so much and we are extremely proud!

Mommy, Daddy, Danielle and Andrew

"Life is short, live it. Love is rare, grab it. Anger is bad, dump it. Fear is awful, face it. Memories are sweet, cherish them."

Colleen,

It seems like yesterday that you were excited to be "at the magic kingdom".

You have become a confident and intelligent woman. You are beautiful person who lives her Christian values daily. We are so proud of you and your accomplishments!

May God bless your endeavors.

Love,
Mom and Dad

Congratulations
Paige! Love, Dad, Tess,
Laura, Ethan and
Danny

To our little scholar - Hannah Kawena Cascio - you did a thing! We're so proud of you and excited for what comes next!

Love, Mom, Dad and Paige

Christine, We are proud of your accomplishments on & off the field....looking forward to your next chapter. Love you lots, Mom, Dad,
Mike & Lynn

AMANDA WEISS

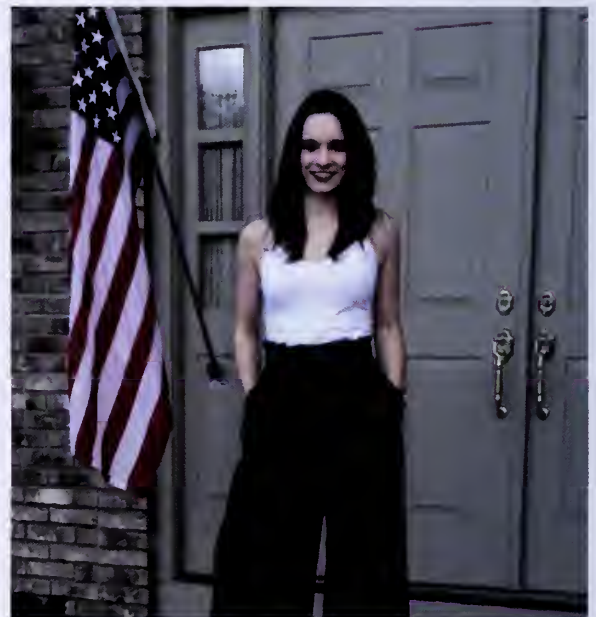

We have watched you graduate from pre-K to a Bachelor of Science with honors! In life you graduate from one step to the next. We can't wait to see the next steps to come. We always knew you had a bright future ahead and couldn't be more proud of all your accomplishments!

Love always,
Mom and Dad

Carly,
We are so proud of your fine accomplishments at Muhlenberg College!
Can't wait to see what you create next....

With Love and Admiration,
Mom and Dad

Congratulations Graduate!
A BS in Neuroscience, what a wonderful accomplishment.
We are so proud of you!
May your career be everything you want it to be!
Love you Up to the Moon and Back,
Nanny and Mom

Congratulations
Melanie!
Your backpack
days are over!
Love,
Mom, Dad and
Jason

Stephanie,
Congratulations on all
of your hard work! You
are already a success,
and will continue to
succeed in your future
endeavors. We are
extremely proud of you.
We love you. Dad,
Mom and Julie.

Congratulations

Mom and Dad

Joe Marx

"All the world is a stage,
And all men and women are merely players:
They have their exits and their entrances."
Shakespeare

We are so proud of you!

As you exit college, may you enter into a wonderful new "stage" of growth, love and success.

Love, Mom and Dad

Stephanie,
Congratulations on your graduation! We are very proud of you. Love
Grammy and Pop

Katie,

Keep reaching for the stars and follow your dreams and passions. You have our support and unconditional love always.

"For I know the plans I have for you," declares the Lord, "plans to prosper you and not to harm you, plans to give you hope and a future." Jeremiah 29:11

"Fix your thoughts on what is true, and honorable, and right, and pure, and lovely, and admirable. Think about things that are excellent and worthy of praise." Philipians 4:8

Love, Mom, Dad and Alex

To Our Daughters Kimberly & Kristen
A Guide to Life:

- Be good to yourself, there are things everyone deserves – love, respect, never settle for less.
 - Seek out your dreams, start small, take them as they come, one at a time.
 - Listen to your heart, trust your gut. If the way looks unclear, look within you and follow your instinct
 - Let your voice be heard, you have to story to tell and opinions that count and a difference to make
 - Stay curious and wonder, take every opportunity to learn, knowledge is a gift, it will take you places
 - Hold on to what's important, no matter how you look at it, something's just don't make sense the way you choose to carry yourself is what really matters
 - When you make that list of what you want in life, make another list of what you've got. Be sure to start with all the things that make you the beautiful, talented, and smart individuals you are.
 - But most of all remember always that Mom and Dad love you to the moon and back and we are extremely proud of both of you and all your achievements.
- Congratulations on your graduation,

Mom & Dad
